### **CAPTRUST Adds New Member to Board of Directors**

*Wilson Hoyle elected to Board*

**Raleigh, N.C.** (January 6, 2010) – CAPTRUST Financial Advisors today announced that Wilson Hoyle, Managing Director of the Advisor Support Group, has been elected to the firm’s Board of Directors.

Hoyle was one of the original 13 advisors who joined co-founders Fielding Miller and David Perkins in 1997, the year Miller and Perkins formed CAPTRUST. In 2002, Hoyle became the first employee to be extended equity ownership in the firm, due in part to the highly successful advisory practice Hoyle developed that focuses exclusively on the specialized financial needs of high-profile professional athletes and entertainment figures.

In 2004, Hoyle’s role shifted from Financial Advisor to manager when he was added to the firm’s senior management team. Since then, his responsibilities and subsequent accomplishments have steadily increased with the growth of the firm. He currently serves as a member of the firm’s Executive Committee and is one of the three Group Directors that oversee all company operations.

“As we continue the pursuit of our mission to enrich the lives of our clients, colleagues, and communities, a key ingredient to our success will be the selfless, tireless and courageous leadership of certain colleagues within our ranks,” said Fielding Miller, CEO and co-founder of CAPTRUST. “Wilson Hoyle personifies the leadership that has brought us to the place we are today, and he will be vital to our sustained growth and success in the years to come.”
